Planned activities

- Short-term joint staff training events (May, 2017 in Latvia)
* For VET and enterprise tutors from LV, EE, FI, DE
- Transnational mobilities of VET learners (End of 2017 – Beginning of 2018 in LV, EE, FI, DE)
* For VET learners and international trainees and enterprises
- Workshop for Host Enterprises “Learning Outcomes Approach in WBL” (March, 2018 in Latvia)
* For representatives of employers and stakeholders representing employers
- One-day of sharing experience (April, 2018 in Latvia and Estonia; May, 2018 in Finland)
* VET and WBL providers, stakeholders, VET policy makers and enterprises
- ECVET-Enterprise project experience event (May, 2018 in Germany)
* For German VET system representatives and stakeholders
- The final international conference within ECVET-Enterprise project (June, 2018 in Latvia)
* For VET providers, stakeholders, VET policy and decision makers from LV, EE, FI, DE, LT and other EU countries

Expected results and achievements

- Understanding of learning outcomes and ability to use learning outcomes approach by VET and enterprise tutors in work-based learning and apprenticeships – the understanding and ability to use will be achieved through practical training activities
- More uniformity and steps towards alignment of learning outcomes and ECVET approaches among 4 countries, which means facilitated process of transnational mobilities, transparency and recognition of learning outcomes between countries-participants
- Practical experience and working with learning outcomes in different sectors
- Practical training program, where VET tutors and enterprise tutors are trained together
